

Key Instant Recall Facts Year Two - Autumn 2

I know multiplication and division facts for the 2 times tables

By the end of this half term, children should know the following facts. The aim is for them to be able to recall these facts **instantly**.

$2 \times 1 = 2$	$2 \div 2 = 1$
$2 \times 2 = 4$	$4 \div 2 = 2$
$2 \times 3 = 6$	$6 \div 2 = 3$
$2 \times 4 = 8$	$8 \div 2 = 4$
$2 \times 5 = 10$	$10 \div 2 = 5$
$2 \times 6 = 12$	$12 \div 2 = 6$
$2 \times 7 = 14$	$14 \div 2 = 7$
$2 \times 8 = 16$	$16 \div 2 = 8$
$2 \times 9 = 18$	$18 \div 2 = 9$
$2 \times 10 = 20$	$20 \div 2 = 10$
$2 \times 11 = 22$	$22 \div 2 = 11$
$2 \times 12 = 24$	$24 \div 2 = 12$

Key Vocabulary

What is 2 multiplied by ___?

What is 2 times ___?

What is ___ multiplied by 2?

What is ___ divided by 2?

___ divided by 2 is ___

Top Tips

It is important to practise these facts **little** and **often**. You do not have to practise them all at once; you could choose a fact for the day. You could practise these KIRFs whilst on the walk to school or on a car journey. If you would like more ideas on how to support your child's learning, please speak to their teacher.

Things to try at home

- Play a game of 'test the adult' - where your child makes up the questions and checks your answers (if you get some incorrect, they'll have to tell you the correct answer!)
- Create a set of digit cards from 0-12 and a set with the answers 0-24 and play matching pairs games.
- Practise on TTRockStars or the White Rose One Minute Maths app (free).
