

Key Instant Recall Facts Year Three - Spring 1

I know the multiplication and division facts for the 4 times table

By the end of this half term, children should know the following facts. The aim is for them to be able to recall these facts **instantly**.

4x table	÷4
$0 \times 4 = 0$	$4 \div 4 = 1$
$1 \times 4 = 4$	$8 \div 4 = 2$
$2 \times 4 = 8$	$12 \div 4 = 3$
$3 \times 4 = 12$	$16 \div 4 = 4$
$4 \times 4 = 16$	$20 \div 4 = 5$
$5 \times 4 = 20$	$24 \div 4 = 6$
$6 \times 4 = 24$	$28 \div 4 = 7$
$7 \times 4 = 28$	$32 \div 4 = 8$
$8 \times 4 = 32$	$36 \div 4 = 9$
$9 \times 4 = 36$	$40 \div 4 = 10$
$10 \times 4 = 40$	$44 \div 4 = 11$
$11 \times 4 = 44$	$48 \div 4 = 12$
$12 \times 4 = 48$	

Key Vocabulary

What is 4 multiplied by ___?

What is 4 times ___?

What is ___ multiplied by 4?

What is ___ divided by 4?

___ divided by 4 is ___

Children should be able to answer these questions in any order, including missing number questions. E.g. $__ \times 4 = 28$.

Top Tips

It is important to practise these facts **little** and **often**. You do not have to practise them all at once; you could choose a fact for the day. You could practise these KIRFs whilst on the walk to school or on a car journey. If you would like more ideas on how to support your child's learning, please speak to their teacher.

Things to try at home

- Use songs, chants and games from websites such as [Super Movers: Times Tables Collection \(bbc.co.uk\)](https://www.bbc.co.uk/1/learn/primary/1/tables/collection/), or [Times tables games - Learn them all here!](#)
- Encourage your child to use the facts they already know from other times tables.
