Eden Project
Beach Clean Day

RE

- What is life like for Muslims in Britain today?
- How does faith help people when life gets hard?

Science

- Reproduction
- Reversible and irreversible changes

Islam

Learning about what life is like for Muslims in Britain today (daily routine, beliefs, traditions)

Humanism

Consider how faith helps people when life gets hard.

Computing

Physical programming

The children will use physical computing to explore the concept of selection in programming through the use of the Crumble programming environment.

Selection in quizzes

We will be exploring conditions and outcomes. The children will be planning, testing and evaluation their online quizzes.

BSE

Britain

We will be discussing identities, communities, local and National government, respecting the law and making a difference.

Money Matters

The children will explore what it means to look after our money, budget, borrow and save. We will discuss key issues such as ethical consumers and ethical spending.
