

Key Instant Recall Facts Year One - Autumn 2

I know number bonds for each number to 5

By the end of this half term, children should know the following facts. The aim is for them to be able to recall these facts **instantly**.

$0+0=0$

$0+1=1$

$1+0=1$

$2+0=2$

$1+1=2$

$0+2=2$

$3+0=3$

$2+1=3$

$1+2=3$

$0+3=3$

$4+0=4$

$3+1=4$

$2+2=4$

$1+3=4$

$0+4=4$

$5+0=5$

$4+1=5$

$3+2=5$

$2+3=5$

$1+4=5$

$0+5=5$

Key Vocabulary

Zero

Three

One

Four

Two

Five

Add

Equals

___ and ___ makes ___

Top Tips

It is important to practise these facts **little** and **often**. You do not have to practise them all at once; you could choose a fact for the day. You could practise these KIRFs whilst out shopping or when you see numbers on road signs. If you would like more ideas on how to support your child's learning, please speak to their teacher.

Things to try at home

- Use Lego bricks, counters, or toys to investigate the different number bonds. Or if you're out and about; use leaves, shells or sticks.
- Use a set of dominoes to find the number bond pairs.
- Play number bonds games on the White Rose One Minute Maths app (free).
